FROM THE FOUNDER'S DESK

The second quarter of 2025 will be the saddest for us at Tamiranashe.

We lost one of the pillars of what we seek to achieve as an institution, a mother-figure to all of us here.

We can never quantify what we benefitted from Mrs MoreJoy Saineti, a passionate and hands-on supporter of Tamiranashe Trust's programs and objectives.

We are at a loss even to imagine how we will move forward without her.

Yet we have to.

And our pledge to Mother Saineti, even as we bid her farewell, is that we will continue to work towards the goals she so passionately supported us to pursue.

Her memory will remain etched in the history of Tmiranashe, and we will always make sure she is never forgotten.

She sadly passed away on Friday 13 June 2025 in the United Kingdom, where she was based.

Here is hoping the Saineti family take consolation in that she left the mark of a caring mother.

SCHOOL PROJECT GOING ON WELL

BELOW: She and 999 other Mt Carmel students will soon move to a new school

Above is the beginnings of our school project. Not the best of sights anyway.

Our movement from this to a well-built place is accelerating now, thanks to the support of Kanthari Foundation, Journeyman International and many well-wishers, local and external.

It is such support which has enabled us to take another step towards the long-cherished dream of building our own school.

Very soon, we will move to a better place, and a better future for these children.

More help is still needed, though. Well-wishers are still welcome on board.

These children will forever be grateful for your role in brightening their future.

Feel free to get in touch.
